

**Speaker 2: Kristel Van der Elst**  
**Director, Head of Scenario Planning, World Economic Forum**

**Kristel Van der Elst** is a Director and Head of the Scenario Planning Team at the World Economic Forum. She is responsible for global multi-stakeholder, cross-industry scenario projects, facilitates high-exposure workshops bringing together industry leaders, academics and government representatives and leads the Global Agenda Council on Strategic Foresight. Her previous experience lies in consulting and in the corporate world where she managed large, multi-departmental projects and developing marketing strategies. Kristel is a Fulbright Scholar and Rotary Foundation Ambassadorial Scholar, holds an MBA from Yale School of Management, a postgraduate degree in Development Cooperation and a Masters in Commercial Engineering.
