

16 March 2010 (Tuesday)

Lunch Speaker

Larry Levy

Co-Founder, Chairman and CEO, Jodange, United States

Larry Levy is Co-Founder, Chairman, and CEO. Jodange has just been awarded the "KMWorld Trendsetting Product of 2009". Prior to founding Jodange, Larry was co-founder and CEO of Semagix Group, which sold to Warburg Pincus in February 2006. Semagix received numerous awards, including recognition as "KMWorld's 100 companies that matter in Knowledge Management 2003" and "2003 Information Management Awards" finalist. He was also the founder and CEO of Protégé Holdings, recognized as an "Upside 100" company and the largest technology company accelerator in Europe. Larry has guided multiple technologies from University laboratory to commercialization to successful exit. In addition, he founded Citria and Delrina Europe (sold to Symantec in mid 1995). Two of Larry's companies have been awarded multiple National Science Foundation grants to date. He holds a BCom and BAcc from the University of the Witwatersrand, South Africa, and is a Chartered Accountant CA(SA).
