

Panel 3: Emerging Issues For Policymaking

Moderator: Paul Saffo

Managing Director of Foresight, Discern Analytics

Paul Saffo is a forecaster with over two decades of experiences helping corporate and governmental clients understand and respond to the dynamics of large-scale, long-term change. He is a co-founder and Managing Director of Foresight at Discern Analytics and teaches forecasting in Stanford's Engineering School.

Paul is also a non-resident Senior Fellow at the Atlantic Council, and a Fellow of the Royal Swedish Academy of Engineering Sciences. His essays have appeared in a wide range of publications including The Harvard Business Review, Foreign Policy, Fortune, Wired, The Los Angeles Times, Newsweek, The New York Times and the Washington Post. Paul holds degrees from Harvard College, Cambridge University, and Stanford University.
