

Panel 2: Integrating Strategic Foresight Into Risk Management

Speaker: Sachi Wimmer

First Assistant Secretary, Homeland and Border Security Division, Department of the Prime Minister and Cabinet, Australia

Ms Wimmer leads the Homeland and Border Security Division in the Department of the Prime Minister and Cabinet (PM&C). The Division provides advice, coordination and leadership on issues such as critical infrastructure protection, non proliferation, counter terrorism, serious and organised crime, border protection, transport security, security of hazardous materials, emergency management and the national security policy framework. Prior to this role, Ms Wimmer headed the Border, Counter-Terrorism and Strategic Planning Branch in the Division until December 2010. She has previously worked in the Australian Customs and Border Protection Service and Department of Agriculture, Fisheries and Forestry, Department of Environment and Heritage.

Ms Wimmer has a Bachelor of Science degree with honours from Sydney University, Masters in Environmental Law from the Australian National University and an Executive Masters of Public Administration from the Australia and New Zealand School of Government.
